The image shows several rectangular tiles arranged in a staggered, overlapping fashion. The tiles feature a variety of designs: some have a mottled, painterly appearance in shades of blue, green, and brown; others have intricate white line patterns on a darker background, including geometric shapes like hexagons and zig-zags, as well as organic, scale-like motifs. The tiles are set against a dark, textured grey background.

EXCEPTIONAL FORMT WHERE ART KNOWS NO BOUND

Perfect for accent walls, feature areas, or even entire rooms, these tiles offer a unique blend of contemporary design with a touch of classic craftsmanship. The matt finish brings out the natural beauty of the carving, creating a refined texture that adds warmth and charm without overpowering your décor.
