SinkeR
COLLECTION

THICKNESS **OF 9MM**

Crafted with precision, 9mm thickness tiles offer a sleek, durable solution ideal for modern spaces. Their slim profile ensures easy installation without compromising strength, making them perfect for walls, floors, and furniture cladding.

SURFACE OF **SINKER**

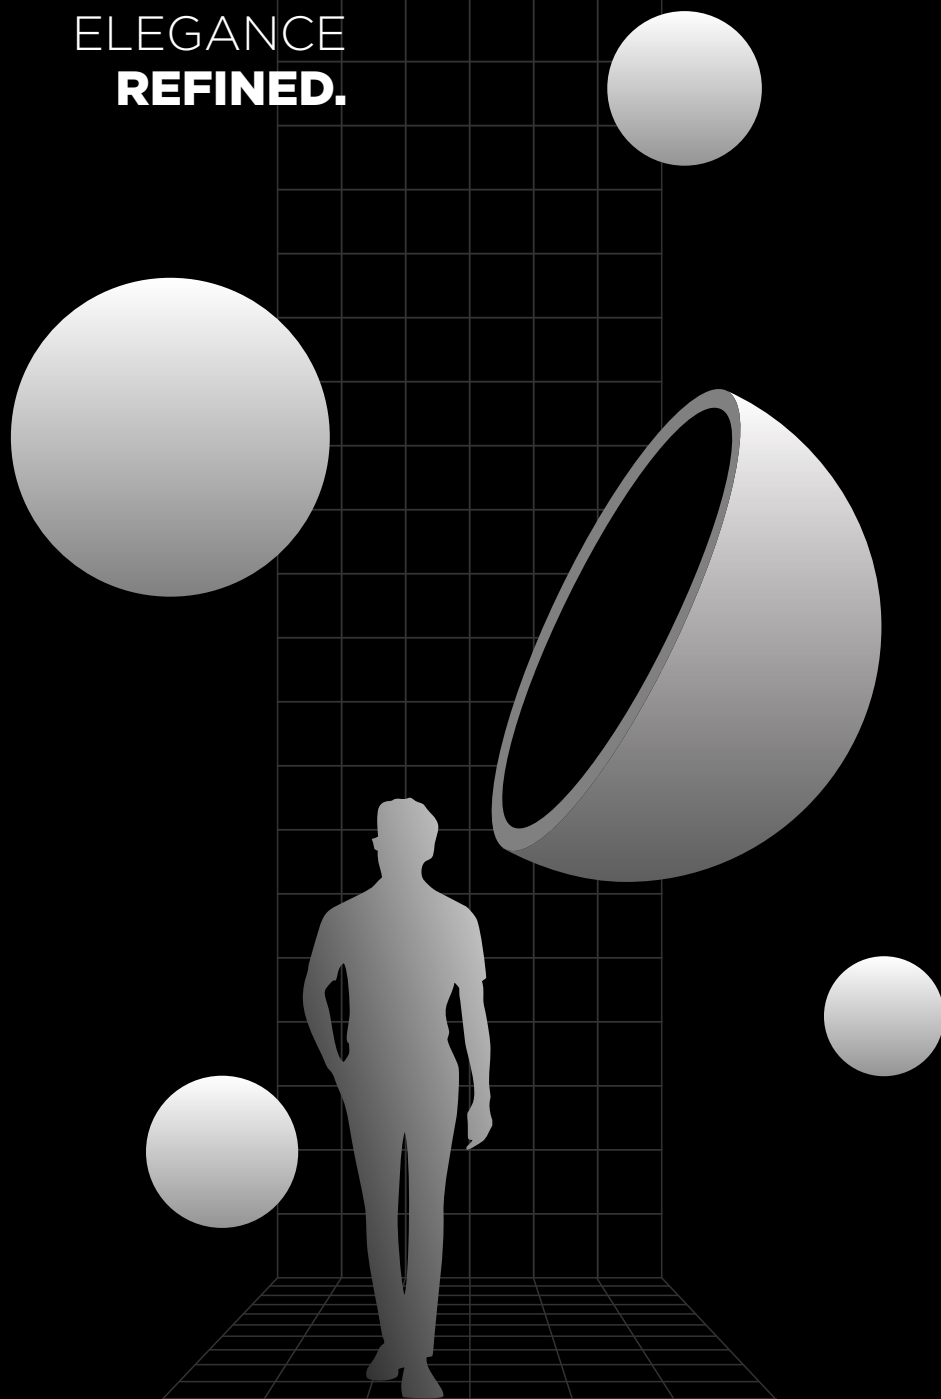

The surface of a sinker tile offers a unique, textured feel that enhances both aesthetics and grip. Its subtle irregularities add depth, making it ideal for spaces seeking a blend of design and functionality.

SIZE OF **600X1200MM**

The 600x1200mm size offers a sleek, expansive look, perfect for modern interiors and seamless installations.
